

# HAITI 6/21-28, 2017

## One Week Until We Go!

It's hard to believe the time is almost here to travel to Haiti again.

Sherelle Wilson, Rachel Abe, and Nancy Parlette will meet the ***Carolinas Outreach to Haiti*** team in Haiti and spend the week working with them in the village of Valbrune. They will see many of the same people they got to know last year.

### **What will they be doing?**

Sherelle will be doing follow-up surveys with the people who received water filters and Moringa trees last summer. Rachel and Nancy will help with this too. Besides asking them how they have been using these two items, they will also fellowship with the families and offer to pray, and/or have spiritual conversations with them.

This is a photo of the new house that was built after hurricane Matthew destroyed Nancy's sponsor children's house last fall. Many from Forcey donated to make it happen. Thank you!!!

Nancy will be working with 12 young adults who are interested in evangelism. She will teach them how to do Discovery Bible studies, share a simple gospel message, share their testimonies, and discuss how to go out prepared for spiritual battle and how to love and serve those they get to meet.

Rachel will be the "go where you are needed" person, but mainly hopes to interact with the children and help them learn English.

Rachel and Nancy will get to spend time with their sponsor children, and Sherelle plans to choose a child to sponsor before the week is over.

## PRAYER REQUESTS

Ephesians 6:11,12

"Put on the full armor of God, so that you can make your stand against the devil's schemes. For our struggle is not against flesh and blood, but against... the spiritual forces of evil in the heavenly realms."

1. Protection for the team; that they would be healthy, safe, and filled with joy.
2. For God to prepare the hearts of the Haitian students to be open and ready to learn about how to live out and share their faith.
3. Completion of the follow-up surveys and many opportunities to pray and share the gospel.
4. Good fellowship and love between the teams and the villagers, and between the sponsors and their kids.
