This quarter, we will examine the life of Peter. For each session we will watch a video from the series, *Chiseled* by Phil Tuttle, and follow up with discussion. This will be done in conjunction with topics from our current curriculum on discipleship. ALL ARE WELCOME!

Helping without Hurting

Pastor Lonnie Harris
(9:15-10:30; rm 150)

There are poor, broken, needy people all around us. Many of us want to help, but we really don't know how. Sometimes we have compassion on them, and sometimes we show contempt. The problem is that in trying to help the "poor," many people fail to realize that they are just as "poor" as the person they're trying to help (Rev. 3:17). Until we stop to recognize our own poverty, many of our attempts to help others will fall short and may actually end up hurting. Perhaps you are considering whether to take someone in to your home, give money to a brother or sister in need, or give money and food to the homeless stranger on the street. Whatever your situation, this class will help you think biblically about poverty, and you will come to realize that on a deeper level, poverty is not just about a lack of "stuff"; it's about broken relationships.

Ladies Bible Class

Come join us as we learn the powerful elements that will transform our speech, how to master the skills of effective communication, and how to strengthen our vocabulary with words from the Word. This is a great group of ladies who love to laugh and learn together, and we would love for you to join us!

Ofrecida en español, esta clase presenta varios métodos y técnicas para estudiar la Biblia. Ross según se describe en su libro: "¿Quién Movi6 la Piedra?"

Offered in Spanish, this class introduces various methods and techniques for studying the Bible. Materials for the class are based on biblical research explored in Dr. Howard Hendricks' book: "Living by The Book" and the biblical investigations conducted by former atheist Albert H. Ross, as described in his book: "Who Moved the Stone?"

I Corinthians

Ralph Zimmerman (11:00–12:15; rm 327)

This quarter we will study Paul's first epistle to the church at Corinth. This epistle covers a wide range of problems in the Corinthian church including divisions, contentions, an unresolved moral issue, and other evidences of carnality. Paul also addresses the topics of marriage and foods offered to idols in response to a written inquiry from this church. This epistle also contains detailed instruction on spiritual gifts, Christian love, and the resurrection of the body, along with a clear definition of the gospel. Join with us as we study this important epistle.

Genesis 17–29: The Lord Keeps His Promises to Abraham, Isaac, and Jacob Despite Serious Family Strife

Todd Beall & Bob Moore
(11:00–12:20; rm 150)

We move this quarter from the patriarch Abraham and the covenant God made with him to the beginning of the fulfillment of that covenant. Along the way, we see all kinds of family conflict, including problems with Lot and

his family (and the destruction of Sodom), Isaac and Ishmael, Jacob and Esau, and Jacob's 12 sons. We can learn much from the positive and (sadly) often negative examples of the families of these patriarchs. Come join us as we continue studying this foundational book!

Grief Share

Vivian Cross & Richard Trent
(10:45–12:15; rm 162)

You don't have to go through the grieving process alone! Join others who are grieving the loss of a loved one in this group that will meet for 13 weeks 2nd hour starting September 8. Walk together in discovering more of the hope and help the Lord wants to provide for you! For info, see <http://www.forcey.org/griefshareclass>.

Ladies Class: Introduction to a Study Bible (4-week course)

A 4-week course designed for ladies to learn how to use your personal study bible. Classes will be held through Sept. 29. Come, join an interactive discussion of the Bible, make some new friends, and learn how to study together.

Men's Fellowship Class

Team Teaching (11:00-12:15; rm 324)

Have you ever found the Book of Ecclesiastes to be a bit difficult to grasp? What is the LORD really trying to teach us through this book? We are studying "*Living Life Backward – How Ecclesiastes Teaches Us to Live in Light of the End*" by David Gibson who, with a pastor's heart, plainly unpacks God's message to us from Ecclesiastes. The Men's Fellowship Class endeavors to help Forcey men grow in their faith and in Christlikeness through study, discussion, and fellowship. Come and be blessed by studying what God has to say to us from the Book of Ecclesiastes in a come-as-you-are environment of like-minded brothers.

Timeline to Eternity - Daniel

Jerry Holiday (11:00–12:15; rm 226)

This quarter we'll continue looking at the Book of Daniel and the greatest prophecies God ever gave to any of His prophets about mankind's future. We will be drilling down to encompass a prophetic timeline of events from the fall of Jerusalem, to the return of remnants, temple building and destruction, first coming of the Savior, the Tribulation period, Second Advent, Millennial Kingdom, and up through Judgment as prophecies God provided us through Daniel.

The Twelve Disciples (September)

Ken Roussey (11:00–12:15; rm 229)

In September, our class will complete our study on Jesus' 12 disciples, looking at Judas Iscariot, Matthew, James the Less and Judas, not Iscariot, and Simon the Zealot.

Counseling Related Topics (October)

In October we will begin focusing on topics related to Christian counseling including following: How to Resolve Problems Biblically, Anger, Fear, Worry, Forgiveness, Biblical Speech, Self-Image, Spiritual Fruit, Blueprint for Marriage, Ministering to the Elderly, etc.

Women of the Bible

David Bruce & Rick Claybrook
(11:00–12:15; rm 228)

We will study some of the notable women who are part of the biblical narrative. These women are an amazing group that includes disparate characters—the mother of the Jewish people and a foreigner from whom David and Jesus descended; a queen and a babysitter; a judge and a prostitute. Join us to learn what God accomplished through Sarah, Ruth, Esther, Miriam, Deborah, Rahab, and other women of faith.
