CSB is a weekly discipleship ministry on Thursday nights for boys and young men, with many of the dads participating, too! It offers dads, and other godly men, the opportunity to spend productive, profitable time with young men at our church in order to mentor them to be effective Christian leaders. Men and boys play, work, learn, and grow together, keeping Jesus Christ at the center. Underlying each event is the important role modeling that develops between Godly men and boys. In addition to weekly meetings, boys enjoy camping trips, work projects, and lots of fun.

We believe God has a wonderful and wise plan for kids and teens in this world. He gives parents and families an awesome responsibility in raising children. But He also gives the church a great role in coming alongside families to help in youth's journey with Jesus. That is why we have many programs designed to nurture children and teens in their faith. Please contact us if you have any questions. We would love to talk with you and be a part of your family journey!
